

## ✓ Mission Projects

Each Bible Study Group will be assigned to a mission project for the week. Mission Projects vary by location and week and may include painting, scraping, cleaning the homes and yards of senior citizens; projects with local service agencies like community food banks or Habitat for Humanity; or providing educational and recreational programs to disadvantaged children. The Bible Study Leader will oversee and direct each mission project. Group Leaders and chaperones will be assigned to a Bible Study Group for missions time and will provide oversight, discipline, and monitor safety in coordination with the Bible Study Leader.

Closed-toe shoes and shirts with sleeves (no tank tops) are required for Mission Sites. Be sure that students bring clothes and shoes that can get dirty on site. Many sites call for paint and cleaning materials that could soil or damage clothing and shoes.

All adults will sign up for a project and be expected to help supervise at their mission site. This is crucial because of our insurance demands. Adults will go to the same site with a Bible Study group each day so that relationships can be formed. This supervision may be as simple as helping pass out water to campers or as careful as making sure the campers are being safe with the paint, tools, ladders, etc. There will always be a PASSPORTmissions staffer directing the project, but she or he will be counting on the adults to be extra eyes, ears, and examples.

PASSPORT's trained, hired staffers are in charge at the site and know the overall plan. They cannot, however, watch every camper for safety and supervise without the help of your adults. Please help your adults know their role before camp. **The focus for chaperones will always be maintaining safety and helping the Bible Study Leader manage the site, not on completing hands-on mission work.**

If an emergency arises so that one adult will miss a day at their site (i.e. a camper gets sick), the adult **must** get word to the Mission Project Coordinator at camp before the group leaves the campus.

Your church vehicle will be needed to transport students to Mission sites. See page 9.

Day 2: I am Enough.

Day 3: There is Enough.

Day 4: Enough Already.

## ✓ Parties

### Night 1 – Messy Rec Party

"Ain't No Mountain High Enough!" This is an outdoor event (weather permitting). All campers must wear closed-toe shoes and clothes that can get dirty. They can bring a red, blue, or green t-shirt to match their Bible Study group. Be aware that clothes will get wet and dirty, and unless laundered, will likely be unusable for the remainder of the week.

### Night 2 – Christmas Dance Party

Jingle all the way down to the jolliest holiday party of the summer! Wear your favorite holiday costume to celebrate Christmas in July. Channel your favorite Christmas movie character, decoration, movie character, and more. Come ready to dance, celebrate, and play your favorite Christmas games to get you in the spirit. **Youth groups are strongly encouraged to plan their costumes prior to camp!** There will be a prize for the most creative group.

### Night 3 – Church Group Free Time

Free time is from 2:30 to 9:00 p.m. Dinner will be on your own. Plan to be back on campus for worship at 9:00 p.m. Students participating in Worship should be back for rehearsal at 8:30 p.m.

### Night 4 – Variety Show

The votes are counted, the lights are shining bright, and the globes are ready to be awarded. Bring your skits, songs, and any other acts to share as campers cheer you on and enjoy the variety of our gifts and talents.

Group leaders will sign up acts for a screening. Acts are chosen on variety, appropriateness, creativity, group representation, and time constraints. Screenings must include clothes to be worn. The act they present in the Variety Show must be the same as the act screened. Space is limited. **Priority is given to group acts.**
