SET UP / Saturday morning, December 22nd, after 9am, the CARITAS truck will deliver our guests luggage and bedding items. We need assistance moving these items into their rooms. Gratefully, this does not require heavy lifting and the items need only be moved a few yards. Transferring items takes less than 1 hour.

TAKE DOWN / Saturday morning, December 29th, after 9 am, the CARITAS truck will pick up our guests luggage and bedding items. We need assistance moving these items to the truck.
