

CARITAS Cookies Information December 2018

34 CARITAS Guests

Thank you for your willingness to provide cookies or bars for our 34 CARITAS guests. These items will be added to the bag lunches by the overnight hostess the night prior to the distribution of lunches.

Please prepare and deliver:

- 34 transparent plastic bags of cookies or bars (3 cookies per bag)
- Please group together all bags and clearly mark them with your providers' name and your assigned day.
- Deliver these cookies/bars to Spence Hall Kitchen by 5:00 p.m. on your scheduled day. There will be a marked cookie gathering area.

Please record your individual or group volunteer time in the CARITAS logbook also located in the kitchen. Estimate how much time you spent in providing or preparing your meal items. This is very important to log for CARITAS because they are required to provide this information in their applications for grant money.
